The following specific issues were raised  
at the WWG meeting:

DCID

-- DIA concern that the reference to the  
DoD responsibility for tactical warning  
(para 3 of draft; para 1 of INR draft)  
referred to the DoD I&W System. You  
agreed to review wording to insure entry  
applies to operational systems.

-- INR wants the Watch Committee, its  
role in warning, and relationship to the  
NIWS clarified. DIA supports this  
request.

-- INR wanted a specific reference to  
the Alert Memo in the DCID, but agreed  
that a subsequent NFIB memo defining  
warning vehicles would be adequate.

INTERNAL USE ONLY
